These are adapted from Marion Weinstein's book POSITIVE MAGIC which is □
published by Phoenix Publishing

There is one Presence and Power in the Universe
that manifests to me (us) as Goddess and God
and which is abundance, fulfillment and security
and I (NAME) am a perfect manifestation of this power for
I am a perfect incarnation of God/dess (Use God for a male, Goddess for a
□
female)
and a perfect Priest/ess of the God/dess (Use Priest of the Goddess for a
male □
and Priestess of the God for a female)
So I hereby draw to me fulfillment, abundance and security in my life
SPECIFICALLY AS THE PERFECT JOB FOR ME
I ask this for the good of all
and according to the free will of all
to take place with ease and joy
and so mote it be

These words are used as a Wiccan style affirmation. I really appreciate
Ms. □
Weinstein's book for this. I am one of the many people who don't do well
with □
visualization, but I find if I have an affirmation to speak with the □
visualization work it facilitates it for me somehow. Perhaps because I
spent □
my adolescense attending a UNITY center in Massechusetts with my mother
and so □
was trained in doing it this way. It's great to have some that are Wiccan
in □
style or easily adapted to it, as most of the ones I learned were
decidedly □
Christian and made me decidedly uncomfortable.

If you find that affirmation helps you visualize, please feel free to use
this □
with the techniques Koren posted
